

Student Van Usage Terms

This service needs to be requested by email

1. TERMS OF USE

The van usage is free of charge but limited to 1 hour starting when the van leaves the facility. We can collect you, together with your packed up belongings (if you require boxes these can be ordered online from our website) and bring you back to the facility for you to put them into your chosen locker or unit.

2. PRE-RESERVED

If you have pre-reserved or using us for the first time you will need your student card and a bank card for proof of identity.

3. CHARGED

After 1 hour you will be charged £20.00 per 30 minutes thereafter.

In order to make full advantage of the time, please ensure that everything is ready to be loaded into the van when the driver arrives at the specified arrival time.

4. RETURN TRIPS

If you have any time left from the free 1 hour usage, this can be transferred to taking you back to where we collected you from, or the time can be used to deliver your belongings to your new accommodation.

5. 7 DAYS NOTICE

Just give us 7 days' notice and when you arrive at the facility you can load your items into the van where a driver will take you to your new accommodation - it's that easy.
